

MONOCHROME HOME

TV's celebrity interior stylist and designer **Hannah Cork** is renowned for her high-profile client list. Here, she explains how we can create a classically cool monochrome home, thanks to Tesco's new interior décor collection

MAKE a timeless statement and bring some monochrome magic to your house with Tesco's sensational new home décor collection – the stunning new look to give your interiors contemporary sophistication at prices you can afford.

Simply chic, black and white has been a catwalk fashion for decades and is still fabulously in style. Thanks to Tesco's Monochrome décor range, now it's easy to bring that urban elegance into your home.

Go graphic: stripes, herringbone, checks, geometric shapes – the Monochrome range has something to suit every taste and to keep your home a cool clean black and white.

Monochrome doesn't have to be serious or one dimensional – incorporate a pop of bright yellow, like this mustard chunky-knit pouffe, or be bold by adding a striking dogtooth print cushion to this sculpted charcoal sofa.

Available in store and online, from kitchenware, bed linen and furnishings to furniture, Tesco's refined Monochrome range means you can afford to make a stylish statement – in a timeless style.
